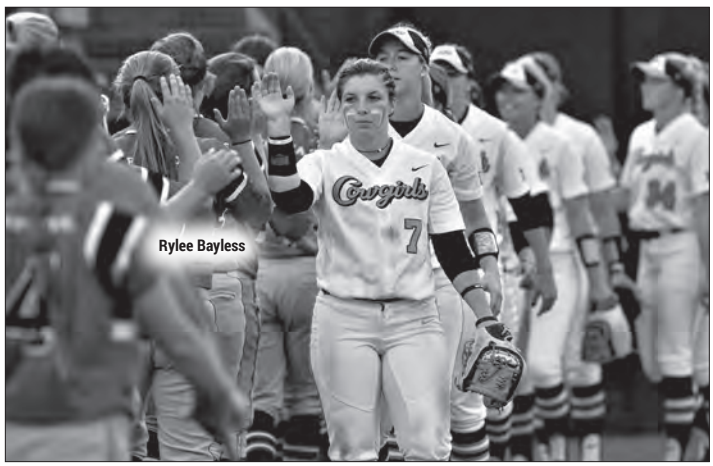
Vanessa Shippy

BACK FOR MORE

Oklahoma State returns most of its core from a successful 2017 season, including two-time All-American Vanessa Shippy. And now that the Cowgirls are entering Kenny Gajewski's third season at the helm in Stillwater, OSU is looking to cement itself as one of the nation's best programs.



Rylee Bayless

There is plenty of optimism surrounding the Oklahoma State softball program heading into the 2018 season.

For starters, the Cowgirls have posted back-to-back 30-win seasons during head coach Kenny Gajewski's first two years at the helm. OSU has also competed in the NCAA Tournament during both of Gajewski's seasons as coach, so the foundation for success has been laid in Stillwater.

In Vanessa Shippy, Rylee Bayless and Taylor Lynch, Oklahoma State fields one of the most formidable offensive trios in the Big 12 and perhaps the nation heading into 2018. How good are they? The Bayless-Lynch-Shippy trio combined to hit .349 collectively last season, while also scoring 137 runs and driving in another 114 among them. The only other Big 12 program that returns a trio with those types of numbers is the Cowgirls' in-state rival and defending national champions Oklahoma.

Overall, the Cowgirls return seven starters in the field and two pitchers from last year's squad that took down No. 1 Florida and advanced to the regional championship game in Gainesville. Oklahoma State also boasts one of the nation's most impressive recruiting classes this season, and the incoming Cowgirls will have plenty of chances to contribute this season.

PITCHING STAFF

The Oklahoma State pitching staff is shaping up to be a mixture of familiar faces and new talent in 2018, as the Cowgirls return both sophomore Logan Simunek and senior Whitney Whitehorn, while also adding three transfers to the staff.

Last season, Simunek and Whitehorn combined to make 41 appearances and Simunek's 3.99 earned run average was the second-best mark by a Cowgirl in 2017. Simunek, in particular, is coming off an excellent first season in Stillwater.

Some of the highlights from her freshman season include: earning her first career win against McNeese State on February 11 after pitching four no-hit innings, surrendering just one run in a career-high six innings of work against Central Arkansas on April 18 and striking out a season-best four batters during 3 1/3 scoreless innings against Hofstra on February 17.

Oklahoma State's fresh faces have also found plenty of success at their previous schools.

Samantha Clakley, a junior transferring to Stillwater from UT Arlington, put up impressive numbers during her first two seasons of collegiate softball. Her 2.32 earned run average in 2017 was the fifth-best mark by a pitcher in the Sun Belt Conference last season. Clakley also led the league in appearances (46), finished second in innings pitched (253.0), third in wins (26) and seventh among conference pitchers in strikeouts (137).

She was twice named an All-Sun Belt performer, collecting second-team honors as both a freshman and sophomore at UT Arlington. During her sophomore campaign, she was named the Sun Belt Conference Pitcher of the Week on May 8 after earning three combined wins over Houston and Texas State. She also set a Sun Belt Conference record when she pitched 15 innings against Louisiana-Monroe.

Another one of OSU's highly-successful transfers is a senior transfer from Pittsburg State, Emmie Robertson. During her time at PSU, Robertson established herself as one of the most dominant pitchers in the MIAA, as she shattered several Pittsburg State career and single-season records and was named the MIAA Pitcher of the Year on three occasions. Robertson's junior campaign in 2017 saw her post a career-best 1.06 earned run average over 252.0 innings of work.

Robertson also struck out 303 batters, marking the third consecutive season that she had broken the PSU single-season strikeouts record after recording 238 punchouts as a freshman and 301 as a sophomore. Her 842 career strikeouts is far and away the Pittsburg State career record.

Kendal Judge rounds out the quintet of arms at OSU's disposal this season, as the sophomore transferring from Minnesota joins the Cowgirls after impressing during her only season in the Big 10. Her appearances were limited for the Golden Gophers, but in her time on the field she recorded a solid 2.47 earned run average.

Judge, a native of Plainfied, Illinois, also helped Minnesota capture both the Big 10 regular season and conference tournament championships.

This year, the pitching staff will be overseen by Jeff Cottrill, who is entering his first year as an assistant on head coach Kenny Gajewski's staff after spending the previous two seasons serving as the team's director of operations. While the 2018 campaign will mark Cottrill's first official season as a collegiate assistant coach, he does have some prior experience in the role at OSU.

He previously stepped in as the team's pitching instructor for a 30-day stretch of the 2016 campaign when former OSU pitching coach Charlotte Morgan took a leave of absence for health-related issues. In that brief period, Cottrill sparked a run of pitching that helped Oklahoma State return to the NCAA Tournament for the first time since 2011.

CATCHERS

The catcher spot will look a bit different for Oklahoma State this season, as all-around standout Vanessa Shippy will likely spend most of her time in the field as opposed to behind the plate. However, sophomore Mackenzie Thomas and freshman Raquel Dominguez provide plenty of reason for optimism for the Cowgirls at the catcher spot.

Thomas is coming off a successful first season in Stillwater that saw her make 49 appearances for the Cowgirls, which included 23 starts. Her at-bats were limited, but Thomas flashed some talent for getting on base in those appearances as she posted a .348 on-base percentage. She also hit her first career home run during the Cowgirls' 3-2 win over Tennessee Tech during the Mizuno Classic in Stillwater last season.

Dominguez also figures to contribute for the Cowgirls this season, as the Victorville, California, native comes to OSU as part of a talent-laden freshman class. Dominguez lettered all four years at Silverado High School and, as a senior, posted an incredible .718 batting average.

While a youthful pair, Thomas and Dominguez figure to be key cogs in Oklahoma State's pursuit of a third-straight NCAA Tournament appearance.

UTILITY

Players that can do it all have long been one of the foundations for a successful program, and that has been evident throughout Kenny Gajewski's tenure in Stillwater thus far.

Two-time All-American Vanessa Shippy serves as the best example of that fact, as much of the Cowgirls' success in 2016 and 2017 can be traced back to Shippy's performances on the field.

Now back for her senior campaign, Shippy once again will be an anchor for Oklahoma State, slotting in the lineup and around the field wherever she is needed, on any given day. She has been a stand-out performer for the Cowgirls in each of the past three seasons, and she has a chance in 2018 to cement her place among the all-time great players at OSU.

Last season, Shippy led the Cowgirls in batting average (.398), slugging percentage (.613), hits (72), runs batted in (46), doubles (16), triples (4) and total bases (111). The Couer D'Alene, Idaho native also finished second on the team in on-base percentage (.517), runs scored (48), walks (47) and stolen bases (11).

She also currently owns the program's best career on-base percentage at .502, sits third in career batting average at .381, and is fourth in slugging percentage at .562. Her 120 walks are two shy of matching Tiffany Mikkelson's Oklahoma State record. Shippy's climb up the OSU records ladder has also seen her reach fourth place in team history with 136 runs scored and her 42 career doubles rank fifth in program history.

PLAYERS TO WATCH

UTL VANESSA SHIPPY

INF RANDEE O'DONNELL

INF/OF RYLEE BAYLESS

UTL TAYLOR LYNCH

INF MADI SUE MONTGOMERY

Junior Taylor Lynch also has developed into a do-it-all performer for the Cowgirls, as she transitioned into the outfield in 2017 after holding down the hot corner as a freshman.

Lynch, a two-time All-Region honoree, is chasing down several records of her own as well. She currently stands fifth in team history with a .363 career batting average. The Red Oak, Texas, native is also just outside the program's top 10 with a career on-base percentage of .413 and her 25 career doubles rank 16th in school history.

Emily Clark, a freshman from Rockwall, Texas, is another Cowgirl that can slot in across the field. An All-District performer in high school, Clark is expected to be one of several freshman to challenge for playing time in 2018.

OUTFIELDERS

Four returning Cowgirls and four newcomers make up a talented crop of outfielders for Oklahoma State this season.

The group, led by senior Maddi Holcomb, figures to see plenty of competition for playing time, as well as plenty of versatility with what each player brings to the team.

Holcomb, a North Richland Hills, Texas, native, has been an anchor in the OSU outfield for three seasons now. During her time in Stillwater, she has taken part in 155 games, and started in 131 of those contests. She is coming off her second consecutive season of batting above .300 and she figures to once again be the Cowgirls' everyday starter in centerfield, although nothing is a given with the depth this group possesses.

Beyond her are returning seniors Taylor Pence and Jamie Lowrie, as well as junior Mallory Goodman. Pence and Lowrie are entering their second seasons at OSU after transferring from the junior-college ranks. The rest of the group is made up of three freshmen - Chelsea Alexander, Lindsey Stoeckel and Regan Wilkins - and junior Elise LeBeouf.

LeBeouf is in her first season at OSU after transferring to Stillwater from the University of Houston, and with her she brings a cannon of an arm. The left-hander has plenty of range defensively, is versatile at the plate and figures to be one of several Cowgirls competing for game time in the outfield this spring.

Oklahoma State's crop of freshman outfielders is led by Alexander, who logged 12 stolen bases in just eight games during her first collegiate action this past fall. Alexander has primarily taken reps in center field, but is able to play across the board. She is joined by Lindsey Stoeckel, who logged five hits during the fall, and Regan Wilkins in this year's freshman group. All three are expected to compete for playing time in 2018.

INFIELDERS

Perhaps the deepest and most experienced group for Oklahoma State in 2018 comes from the infielders.

Led by four returning starters, the infield defense could be a standout area for OSU in 2018, as all four have already shown their defensive prowess when working as a unit last season. Together, Rylee Bayless, Jessi Haffner, Madi Sue Montgomery and Randee O'Donnell combined to turn a Big 12-best 31 double plays a season ago.

In O'Donnell, the Cowgirls have one of the Big 12's best shortstops anchoring the unit, and that dearth of talent only grows when you consider that she is joined by players such as Bayless, Haffner and Montgomery.

And while they have shown that they can all handle their gloves, that quartet of Cowgirls also contributed plenty at the plate last season. Bayless was the leader of that group, as she smacked 21 extra-base hits and drew a program-record and NCAA-leading 71 walks in 2017. Montgomery, meanwhile, chipped in with 50 hits, while O'Donnell and Haffner combined to drive in 50 runs throughout the campaign.

Beyond the starters though, Oklahoma State fields a talented group of unproven commodities, which includes standout freshmen in Brighton Gilbert, Sydney Pennington and Michaela Richbourg. Lauren Heintzelman, a transfer from Virginia, is also eligible to compete in 2018 after redshirting a season ago.

COACH INTERVIEW AVAILABILITY

Interviews with head coach Kenny Gajewski should also be arranged through the athletics communications office. Gajewski will also be made available on varying days throughout the season. Telephone interviews with the head coach can be arranged by contacting John Langham (john.langham@okstate.edu). As with the student-athletes, interview requests should be made at least 24 hours in advance.

MEDIA CREDENTIALS

Season credentials for Oklahoma State softball must be requested through John Langham (john.langham@okstate.edu). Only media covering the Cowgirls on a consistent basis will be considered for season credentials. Credentials for home games will be operated through a pass list system, so there is no deadline for requesting to be added to the season credential list.

If you do not specifically request to be added to the season credential list, you will need to request credentials on a game-by-game basis. If you are doing so, please notify the OSU Athletic Communications team at least 48 hours in advance so as to ensure enough time for you to be added to the upcoming game's pass list.

PICKING UP CREDENTIALS ON GAMEDAY

Individuals that will be attending games will be able to pick up his or her credential prior to the start of each home game at the front gate of Cowgirl Stadium, which is located in the southwest corner of the complex next to the gravel lot. Credentials will be assigned and distributed via a pass list that John Langham (john.langham@okstate.edu) will oversee and manage throughout the year.

MEDIA PARKING ON GAMEDAY

There is no designated media parking on gamedays for Oklahoma State softball. Parking is available in the gravel lots directly west of Cowgirl Stadium.

At each home game, there should be a parking attendant handing out parking passes to those without parking permits so as to avoid being ticketed by Parking Services.

ENTERING THE STADIUM ON GAMEDAY

Working members of the media should enter Cowgirl Stadium at the main entrance located in the southwest corner of the complex. Once you enter the front gate, head directly down the stairs toward the concession stand. There you will find an elevator that will take you directly to the press box.

As a note, the front entrance to Cowgirl Stadium also doubles as the entry point for fans, so members of the media are advised to take this under consideration in terms of their arrival time. A member of the OSU Athletic Communications staff will be at the stadium at least 90 minutes prior to the start of each game and you are welcome to contact them should you have any issues.

HOW TO GET TO THE PRESS BOX

The press box is located on the top level of Cowgirl Stadium and opens one and a half hours prior to first pitch on gamedays.

After entering the stadium at the front gate, head down the steps toward the concession stand. There you will find an elevator that will take you directly to the press box.

Once you have arrived in the press box, there will be an OSU Athletic Communications staff member there to assist you with any issues that might arise.

VISITING RADIO

The visiting radio booth is located in the press box of Cowgirl Stadium. Only the official radio network of the visiting school will have access to the booth. Contact the athletics communications office for more information.

FIELD ACCESS

To access the field at Cowgirl Stadium, take the elevator or stairs down to the main level. From there, you will find gates at the end of each team's dugouts that will provide access to the field. No members of the media will be granted field access prior to or during the game.

At the game's conclusion, a member of the OSU Athletic Communications team will take working members of the media in attendance down to the field for postgame availability with head coach Kenny Gajewski and select players. Any requests for specific players need to first go through John Langham (john.langham@okstate.edu).

PHOTO/VIDEO POLICIES

Credentialed members of the media are permitted to photograph or videotape in select areas of Cowgirl Stadium during games. Please see John Langham or another member of the OSU Athletic Communications team for further details on gamedays.

Members of the media should not approach Cowgirl players or coaches until the designated time for interview availability after the game.

PHOTO WORK ROOM

There is no specific area designated as a photo work room. However, the press box will remain open following the game's conclusion and postgame availability for the media to work. A member of the OSU Athletic Communications team will remain in the press box following the day's contest to manage the area.

GAMEDAY INTERVIEW AREAS

The postgame interview area is located on the third-base side of Cowgirl Stadium. Interviews with head coach Kenny Gajewski and select players will take place on the field near third base following a cooling-off period for players and coaches after the game concludes.

If there is a specific player you would like to interview, please make the request prior to the game's conclusion or as soon as possible after. Working members of the media should not approach OSU players or coaches for comments on the field. The OSU locker room is closed.

To access the interview area, take the elevator down to the ground level of Cowgirl Stadium and turn toward the third-base side. As you walk past the coaches offices, there will be a gate to give members of the media access to the field. There will be an OSU Athletic Communications staff member there to escort members of the media from the press box down to the field.

PRACTICE AVAILABILITY

Oklahoma State's softball practices are primarily closed to the public and media with limited exceptions (media will be notified in advance of those dates). For any further questions regarding practice availability, contact John Langham (john.langham@okstate.edu).

Coaches & Staff

Kenny Gajewski enters his third season at the helm of the OSU softball program looking to build on the momentum that the Cowgirls have created during his first two seasons in charge.

OKLAHOMA STATE
COWGIRLS

KENNY GAJEWSKI

HEAD COACH
THIRD YEAR AT OSU | THIRD YEAR OVERALL
OKLAHOMA, 1995

► Gajewski's 70 wins during his first two years in Stillwater are the most by an Oklahoma State softball head coach in his or her first two seasons in team history.

► At OSU, has overseen 22 Academic All-Big 12 selections, as well as two Academic All-District and two Academic All-America honors.

► Has coached seven All-Region selections, seven All-Big 12 honorees. Among the All-Big 12 selection is the 2016 Big 12 Player of the Year, Vanessa Shippy, who has also earned All-America honors in each of the past two seasons under Gajewski's tutelage.

► Led the Cowgirls to their first victory over a No. 1-ranked opponent since 2011 when OSU defeated top-ranked Florida, 1-0, in Gainesville to advance to the regional championship game.

► Guided the Cowgirls to 12 wins in the Big 12 Conference in 2017 - the squad's most since also winning 12 during the 2010 campaign. OSU's third-place finish in the Big 12 was also its highest since finishing third in 2010.

► Gajewski's Cowgirls have been selected to the NCAA Tournament in each of his first two seasons, and on both occasions his team advanced to the winner-take-all regional championship game.

► Coached in the Women's College World Series on three occasions (2013-15) and won two national championships (2014-15) while he was an assistant coach at Florida.

► In total, Gajewski has overseen eight All-Americans, including OSU's two-time All-American, Vanessa Shippy. Also included among Gajewski's prominent pupils is the 2015 National Collegiate Player of the Year, Lauren Haeger, whom he coached at Florida.

► During his tenure at Oklahoma State, the Cowgirls have broken 12 individual single-season records and 10 team single-season records.

► While an assistant at Florida, Gajewski and the Gators' coaching staff was selected as the 2014 National Fastpitch Coaches Association Coaching Staff of the Year.

From the time that Kenny Gajewski took over the Oklahoma State softball program in June 2015, he has led the Cowgirls back into the national spotlight and molded his team into one of college softball's most promising programs.

MOST WINS IN FIRST TWO SEASONS AT OSU

1.	70	*Kenny Gajewski*	*2016-17*
2.	68	Margaret Rebenar	2002-03
3.	58	Sandy Fischer	1979-80
4.	51	Rich Wieligman	2007-08
5.	27	Pauline Winter	1975-76*

**The program's first two seasons*

During each of his first two seasons at the helm, Gajewski (pronounced 'GUY-ehh-ski') has guided the Cowgirls to the NCAA Tournament. He has also won 70 games during his first two years in Stillwater - the most by a head coach during his or her first two seasons in team history.

Gajewski's 70 wins is a notable feat in and of itself. But when you also consider that several of the OSU head coach's wins have come against the nation's toughest competition, it only furthers the already-impressive nature of his performance.

The most prominent of these victories came during the Cowgirls' run in the 2017 NCAA Tournament when Oklahoma State knocked off the No. 1-ranked Florida Gators in Gainesville to stave off elimination and advance to the winner-take-all regional championship game. OSU's 1-0 win over the top-ranked Gators marked the Cowgirls' third win over the nation's No. 1 team in team history and their first since 2011.

Last season, the Cowgirls also picked up a pair of wins over No. 12 Baylor, including a 2-0 shutout during the Big 12 Championship. Gajewski's team also showed its ability to win on the road, as the Cowgirls knocked off No. 22 Ole Miss, 5-1, in Oxford, Mississippi, during the 2017 Ole Miss Classic.

The Cowgirls finished the season with a 38-25 record, which included 12 wins and a third-place finish in the Big 12, both of which are the team's best since 2010. Oklahoma State's 2017 campaign was a historic one for the rising program and along with the team's 38 wins, the Cowgirls set numerous records and collected plenty of hardware in the form of postseason awards and recognitions.

Gajewski's squad had a program-record 12 players selected to Academic All-Big 12 teams, bringing the Cowgirls to a staggering 22 honorees during Gajewski's two seasons at the helm. The OSU head coach also has overseen two Academic All-District and two Academic All-America honors during his stint in Stillwater thus far.

Oklahoma State was also recognized for its on-field success during the postseason awards, as Rylee Bayless, Madi Sue Montgomery, Brandi Needham and Vanessa Shippy were named All-Big 12 players at the end of the year. Bayless, Needham, Shippy and Taylor Lynch were all also honored as All-Region selections.

Gajewski also helped coach Vanessa Shippy to her second-straight National Fastpitch Coaches Association All-America honor, making the Cowgirl the sixth player in team history to earn multiple All-America honors. Shippy also earned her second Academic All-America honor in 2017 under Gajewski's tutelage, making her the first OSU player in program history to earn multiple Academic All-America and multiple All-America honors.

At the season's end, Gajewski and his coaching staff collected an impressive honor of their own as they were named the NFCA Midwest Region Coaching Staff of the Year. In total, the 2017 campaign saw Oklahoma State continue its ascent toward the top of college softball, but Gajewski's first season in Stillwater wasn't without its highlights as well.

Gajewski's inaugural Stillwater campaign saw him lead the Cowgirls back to the postseason for the first time since 2011. Under his leadership, OSU led the Big 12 in Academic All-Big 12 selections, broke 11 school records and had its first player earn both Academic All-America and All-America honors since 2003 in Vanessa Shippy.

OSU showed it was destined for a return to success early in Gajewski's first season when OSU picked up a February win over No. 9 Washington in the Mary Nutter Classic, which was the program's first win over a top-10 opponent since 2013.

From there, the Cowgirls continued to build on their early success as they looked to restore the program to its winning ways.

The 2016 Cowgirls found success once again in Big 12 play, sweeping Iowa State to earn their first sweep of a conference opponent since 2012 and earning a series win over Kansas in Lawrence, the first road series win in the Big 12 since 2011. In total, Oklahoma State finished Gajewski's first season with seven series wins.

Under Gajewski, the Cowgirls embraced the pressure down the stretch on their way to winning seven of their last nine games, including a season-high seven game winning streak, to secure their place in the postseason at the Georgia Regional. Gajewski helped bring the power to the field with 53 home runs on the season, the most since 2011. Overall the team finished with a .301 batting average, the third best in the Big 12. In total, OSU broke 11 school records throughout the year as a team.

The other records that fell under his guidance in his first year include the team's 339 runs scored, .408 on-base percentage, 315 RBIs, 5.43 RBIs per game, 232 walks, 0.91 home runs per game, four walks per game, 711 total bases and 12.3 total bases per game.

As for single-game records, the Cowgirls hit five home runs against Central Arkansas on April 13, which tied for the most long balls in a game in program history.

On a single-season performance level, Gajewski helped Shippy to a .543 on-base percentage, the highest in school history. Shippy also produced with runs, breaking the program record for runs scored in a year with 58.

Before coming to OSU, Gajewski coached alongside Tim Walton at Florida, where the Gators won back-to-back national championships in his final two years. In 2015, Florida posted top-25 NCAA marks in earned run average (1.63), scoring (6.55 runs per game) and on-base percentage (.438), in addition to leading the nation in the fielding percentage category. The Gators' 60-7 record led the country in win-loss percentage and marked the second-highest win total in school history.

Prior to joining the Gators, Gajewski spent the 2011-12 season as the director of baseball operations at Tennessee. With the Volunteers, he was in charge of managing UT's camps, overseeing student managers and handling the day-to-day operations of the baseball program. Gajewski's roots trace back to the University of Oklahoma, however, as he played for the Sooner baseball squad in 1994 that won a national championship and earned his first coaching stint as a graduate assistant the following season.

Gajewski then served as a volunteer assistant at Kansas State in 1996 before returning to Norman, where he would begin a 10-year stretch as the Sooners' turf and maintenance director. In 2001, the field at OU's L. Dale Mitchell Park was named the Beam Clay Baseball Diamond of the Year. That same season, the OU Softball Complex was presented the Field Maintenance Award by the National Fastpitch Coaches Association and TURFACE sports field products.

Since 2007, Gajewski has been the owner and operator of three Norman, Okla.-based turf businesses - Champions Athletic Turf (athletic field renovation), Sooner Curb and Border (decorative concrete) and Ameriturf MidSouth (synthetic turf).

A native of Los Alamitos, Calif., Gajewski has two children, Preston and Logan Gajewski.

STACIE PESTRAK

ASSISTANT COACH
THIRD YEAR AT OSU | EIGHTH YEAR OVERALL
FLORIDA, 2006

Stacie Pestrak is entering her third season as an assistant coach for the Oklahoma State softball program under head coach Kenny Gajewski.

Under Pestrak's leadership, the Oklahoma State outfield has shined in the past two seasons. She was a key part in the transition of senior Tiffany Mikkelson to the outfield after she had played third the previous three seasons.

Under her watch, Mikkelson turned into one of the best defensive outfielders in the conference and shined at the plate with 11 home runs on her way to becoming the Oklahoma State all-time leader for home runs with 35.

Pestrak also helped Taylor Lynch transition to the outfield in 2017, as the sophomore continued to build on her incredibly productive freshman campaign. Another notable pupil of the Cowgirls' assistant coach is senior Maddi Holcomb, who has become known for making the most difficult of plays look easy in the outfield. Holcomb has commited just two errors in the past two seasons.

Pestrak joined the Oklahoma State staff on June 29, 2015, after serving as a volunteer assistant coach with Florida for the previous two seasons. Along with Gajewski, Pestrak was instrumental in the Gators' recent success, guiding the team to its second-consecutive national championship three years ago. She also played for the Gators for two years (2005-06), and returned to Gainesville after spending 2013 as an assistant coach at the University of Buffalo.

As a player, Pestrak helped the Gators to two-straight NCAA Tournament appearances and garnered 2006 SEC Academic Honor Roll accolades. She still ranks fourth in the Gators' record book for single-season sacrifice hits (13 in 2005). Pestrak was 31-of-39 on the base paths, including 14-straight steals in 2005. The utility player was a junior college All-America selection in 2004 at Santa Fe College prior to arriving in Gainesville. She also earned the Florida Community College Athletic Association's Jean Williams Scholar-Athlete Award and was a two-time academic all-state selection.

Following her Gator playing career, Pestrak spent two years in the National Pro Fastpitch League with the Philadelphia Force before beginning her coaching career at Northwestern State University, where she helped the Demons go from a five-win season in 2009 to a 27-win campaign in 2010. One season later, Northwestern State won 32 games. She was responsible for player skill development for defense (infield and outfield), base running and bunting, while assisting in the development of hitting, conditioning and game strategy.

Jeff Cottrill is entering his third season with the Oklahoma State softball program in 2018. This year will mark his first as one of the team's assistant coaches though, as he spent his first two years in Stillwater managing the team's day-to-day activities as the director of operations.

The 2018 season will mark Cottrill's first season as a collegiate assistant coach, but he does have some prior experience working Oklahoma State's pitching staff.

During head coach Kenny Gajewski's inaugural campaign in 2016, Cottrill stepped in to manage the team's pitching staff when former OSU pitching coach Charlotte Morgan had to take a leave of absence for health-related issues.

Cottrill worked closely with the entirety of the Oklahoma State pitching staff over the next month. In that time, he helped spark a run of tremendous pitching that guided the Cowgirls back to the NCAA Tournament for the first time since 2011.

Among the standouts from the group that Cottrill briefly managed was Kacy Freeze, who posted a sub-4.00 ERA and recorded a team-high 19 victories during her senior season. Freeze totaled 44 appearances in 2016, pitching 19 complete games and tossing three shutouts. She also recorded four saves during the 2016 season, which ranks as the second most by a player in a single season in team history.

Prior to his time at Oklahoma State, Cottrill worked closely with the Wichita Mustangs Softball Academy in Wichita, Kansas. He ran the team's operations in both 2013 and 2014, while also coaching within the organization for five years.

Cottrill earned his degree in business administration in 2008 from Southwestern College in Winfield, Kansas.

2017 Season Review

Oklahoma State continued its rapid growth under head coach Kenny Gajewski in 2017, as the Cowgirls made their second straight appearance in the NCAA Tournament.

OSU's 38 wins last season also marked the team's most since winning 42 games in 2011.

COWGIRLS CONTINUE ASCENT

The 2017 Oklahoma State softball season was another successful campaign as second-year head coach Kenny Gajewski led the Cowgirls back to the postseason for the second-straight season. OSU also finished with an impressive 38-25 record along the way.

The 38 overall victories is the most for OSU since 2011 when the Cowgirls won 42, while the 2017 squad's 12 wins in Big 12 play were the most since also winning 12 in 2010. The 2017 campaign marked the 10th time since 1990 that OSU has won at least 38 games and the 14th occurence all-time.

"We had a successful year," Rylee Bayless said. "This program is on the rise for sure and it's exciting how fast we are growing. What I took out of this year was not to take our time together as a team for granted. The year we spend together flies by so fast and things can change just like that. It's so important to have fun and enjoy the time we have together on the field because time is limited."

The Cowgirls opened the year with 18 wins in nonconference action, which included a road victory over No. 22 Ole Miss, 5-1, during the Ole Miss Classic. OSU followed up on its early-season success in Big 12 action, as the Cowgirls opened conference play with an 11-1 mark.

Included in the squad's Big 12 boom were series sweeps over Texas, Kansas and Texas Tech. OSU also took two of three against Iowa State in Ames, Iowa. Oklahoma State's final Big 12 victory came against No. 13 Baylor on April 29, as the Cowgirls knocked off the Lady Bears in Waco, Texas, 9-4.

OSU's 12 wins in conference play marked a six game improvement from the 2016 campaign.

"I think a lot of our success in the Big 12 had to do with the mindset of the players and coaching staff," Taylor Lynch said. "When you have a winning mentality as much as we do, it's hard to lose."

After reaching the postseason for the first time since 2011 in Kenny Gajewski's head-coaching debut last season, the Cowgirls returned in 2017, poised to continue the success they had in the regular season.

OSU's first postseason action came in the Big 12 Championship tournament, which was being contested for the first time since 2010.

The Cowgirls entered the conference tournament as the No. 3 seed, but knocked off both second-seeded Baylor and Iowa State to advance

to the championship game, where they ultimately lost a hard-fought matchup against their Bedlam rivals Oklahoma, 2-0.

For their efforts throughout the tournament, Maddi Holcomb, Taylor Lynch and Brandi Needham were all named to the All-Tournament team.

Following the Big 12 Championship, Gajewski and the Cowgirls headed southeast to Gainesville, Florida to compete in their second-straight NCAA Regional.

OSU opened the NCAA Tournament with a win over Florida International, but lost a tight affair against hosts and No. 1-ranked Florida, 2-0, the following day. Now facing elimination, the Cowgirls posted another impressive win over FIU to advance to the regional final, where they again staved off elimination by defeating the top-ranked Gators, 1-0.

The triumph over Florida marked the third time OSU has defeated a team ranked No. 1 in the country, and the squad's first win over the nation's top-ranked team since 2011.

Oklahoma State would fall to the Gators in the winner-take-all regional championship game, ending what was a tremendously successful season for the Cowgirls.

After the season's conclusion, the Cowgirls began to receive plenty of recognition for their impressive 2017 performances, both on and off the field.

OSU set a program record for the second-straight year with 12 Academic All-Big 12 selections, which was the most honorees of any team in the conference. Kristin Reasnor and Vanessa Shippy were both also notably named to the Academic All-District team, with Shippy also earning her second-straight Academic All-American honor.

Kenny Gajewski

Shippy's success in the classroom was mirrored by her on-field displays, as she was also named an All-American (UTL) for the second-straight year. Shippy is the first player in Oklahoma State's illustrious history to earn multiple Academic All-America and All-America honors. She is also the program's sixth player to earn multiple All-America honors, and, with her senior season yet to be played, she'll have the chance to join Jaime Foutch as the only three-time All-Americans in OSU history.

Shippy wasn't the only Cowgirl to be recognized for on-field success, however, as she, along with Rylee Bayless, Madi Sue Montgomery and Brandi Needham were named to the 2017 All-Big 12 teams. The four honorees mark the most for OSU since five Cowgirls were selected in 2010. Along with those league honors, four Cowgirls (Bayless, Taylor Lynch, Needham and Shippy) were named to the All-Midwest Region Team.

The 2017 campaign marked Kenny Gajewski's second season at the helm of the OSU softball program. During his first two years, he has led the Cowgirls to 70 total victories, including eight in postseason action. He has also had 22 players selected to the Academic All-Big 12 teams, with seven individuals also being honored on the All-Big 12 teams.

Gajewski's 70 wins are the most by an Oklahoma State head coach during his or her first two seasons in charge of the program.

Oklahoma State's fruitful 2017 campaign also saw the Cowgirls set new benchmarks in the program's record books. Several Cowgirls combined to set three new individual single-season records: Games played (63): Rylee Bayless, Alex Edinger, Madi Sue Montgomery and Vanessa Shippy
Games started (63): Rylee Bayless, Madi Sue Montgomery and Vanessa Shippy
Walks (71): Rylee Bayless

Bayless' 71 walks led the nation in 2017, making her the fourth Cowgirl to earn the title of NCAA Statistcal Champion. Vanessa Shippy finished with the second-most bases on balls amongst the squad with 47 walks in 2017. Shippy's 47 walks surpassed her previous career high of 43, which was previously the team's single-season record prior to her and Bayless' historic 2017 campaign.

Shippy's ability to draw walks at a historic rate has seen her climb the program's career record list as well. She currently sits in second place with 120 career walks and is just two shy of tying Tiffany Mikkelson for the program record.

After taking another step in the right direction in 2017, Shippy said the Cowgirls have their mind set on doing so once more in 2018.

"The next step is taking on the mentality that we should win every single game," she said. "Oklahoma State is once again a program that people respect and expect to win. Our team is excited for next season and all the expectations that come with it. We are going to take on every game knowing that no matter who is in the other dugout, we are going to take it to them. We don't want to just go to regionals, we want to host and expect that out of ourselves. Our focus is going to be on Oklahoma City and bringing home a title for our school and community."

WOMEN'S COLLEGE WORLD SERIES - 1982

After three-consecutive appearances in the Association of Intercollegiate Athletics for Women (AIAW) National tournament in 1980, '81 and 1982, Oklahoma State advanced to the first-ever NCAA Women's College World Series in 1982 with a sweep of Cal Poly-Pomona in the Stillwater Regional.

With the two national tournaments interlocking, it was a busy month of May for the Cowgirls. OSU advanced through the Southwest AIAW Tournament in Oklahoma City to qualify for the national tourament. A week later, the Cowgirls were hosting the Broncos in Stillwater.

Four days later, OSU headed down to Norman to compete in the AIAW Women's College World Series. The Cowgirls stomped through the first three games, shutting out Western Illinois (7-0), Utah (2-0) and California (3-0). A 2-1 victory over Michigan sent Oklahoma State into the finals against Texas A&M.

A two-day rain delay postponed the tournament, with the Aggies needing two wins over the Cowgirls since they were coming out of the loser's bracket. A 4-1 victory sent the series into an if-necessary game.

OSU led 3-2 going into the seventh inning of game two, but a double and an error set up the tying run. The Aggies scored two more in the eighth and held the Cowgirls scoreless for the 5-3 win.

The next morning, Oklahoma State left Stillwater at 7 am to make the trek to Omaha, Neb., for the NCAA WCWS, as the Cowgirls were scheduled to play UCLA at 7 pm that evening.

Oklahoma State scored first on Paula Smith's RBI single in the second inning. The Cowgirls held the Bruins scoreless until the bottom of the seventh when UCLA tied the game with the help of an OSU error. Oklahoma State threatened in the ninth and 10th innings, advancing a runner to third each time, but failed to push across the go-ahead run. UCLA centerfielder Gina Vecchione singled to lead off the Bruins' 13th. A double by designated player Sheila Cornell moved Vecchione to third, and Barbara Young singled to left for the 2-1 victory.

The loss gave OSU a much-needed day off on Friday, and the Cowgirls faced Fresno State in an elimination game on Saturday. After a scoreless game through 13 innings, the Bulldogs' Kim Muratore hit a run-scoring double for a 1-0 victory, ending the Cowgirls season. It was a tough road for OSU to follow, as UCLA won the first-ever WCWS and Fresno State finished second.

Oklahoma State fell one win shy of its second-straight 40-win season, ending the year with a 39-15 mark. However, it was the first of many appearances in the Women's College World Series, something those Cowgirls will never forget.

WOMEN'S COLLEGE WORLD SERIES - 1989

Seven years removed from its first ever NCAA Women's College World Series appearance in 1982, Oklahoma State advanced to its second world series in Sunnyvale, Calif., in the spring of 1989. Finishing the regular season with a 39-4 record and ranked No. 1 in the nation throughout most of the season, the Cowgirls captured the Big Eight title en route to sweeping Wichita State in the Stillwater Regional.

The Cowgirls fared better the second time around in the WCWS. In their first game against Toledo, the game remained scoreless until the bottom of the sixth inning when, with the bases loaded, OSU centerfielder Dee Brewer singled through the middle, scoring LeeAnne Ketcham and Dena Carter to take a 2-0 lead. Later in the inning, Deborah Mobius singled in Smith to give OSU a 3-0 advantage. Toledo took back a run in the top of the seventh, but it was too little, too late. The Cowgirls took game one 3-1, and starter Michele Smith improved her record to 25-2 on the season by holding Toledo to one run on just three hits and one walk.

The next night, the Cowgirls took on Arizona, a team they had defeated twice earlier in the season. The game was once again a pitching duel, this time taking 7-1/3 innings before a run was scored. With two outs in the top of the eighth inning, Ketcham and Smith scored on a bloop single by Mobius to take a 2-0 lead.

During the next at bat, Michelle Shean scored on a wild pitch by Ginnie Scheller. During the same plate appearance, Scheller threw another wild pitch on a 3-2 count that allowed Mobius to score to give the Cowgirls a 4-0 lead. That score would stand as the final. Smith recorded the win, going eight innings, giving up no runs on six hits, walking two and striking out seven.

Game three was the next afternoon against UCLA. As had been the pattern all season, pitching took over. The game remained scoreless until the bottom of the fifth inning when OSU took a 1-0 lead when Smith scored on a single to center by Shean. Unfortunately, that lead did not hold up. UCLA went on to score two runs in the top of the seventh to take a 2-1 lead, which would be the eventual final.

Game four would come only a few hours later on the same day and it would prove to be the Cowgirls final game of the 1989 Women's College World Series. They would fall to Fresno State, 7-0, ending the Cowgirl's title hopes.

The end of the season would leave OSU in third place nationally. However, the 1989 team still stands as one of the best teams in Cowgirl Softball history, finishing the season 46-6 and it wouldn't be long until the Cowgirls received another shot at the title.

WOMEN'S COLLEGE WORLD SERIES - 1990

A year removed from its best finish in school history, the Oklahoma State softball team returned to the NCAA Women's College World series for a second-straight year. The Cowgirls swept the Big Eight tournament to remain Big Eight champions, and they once again swept the Stillwater Regional to advance to the WCWS. This time, it would be a little closer to home, in Oklahoma City, Okla.

Game one put the Cowgirls head-to-head with a familiar opponent in Arizona, whom they defeated the previous year in the second game of the WCWS. This time, there was a similar outcome. The Cowgirls scored one run in the top of the second when Shawn Gilbert scored on a Shannon Kimberling single up the middle. The Cowgirls added a run in the top of the third and again in the top of the seventh to defeat Arizona, 3-0. Starting pitcher Dena Carter went seven innings, allowing no runs on two hits while striking out one.

Game two came a day later against Florida State. As in typical Cowgirl fashion, defense and pitching continued to be OSU's specialty, leading to a 4-1 victory. The Cowgirls held FSU to one run on four hits through seven innings. Meanwhile, OSU scored three runs in the bottom of the fourth on a single by Carter and an error by the catcher.

Their fourth run came in the bottom of the sixth when Donna Forman doubled to left field, allowing Christi Smith to score from third. Starting pitcher Melanie Roche threw a complete game, allowing one run on four hits and striking out nine batters.

Game three would bring the Cowgirls up against the eventual champions UCLA the following afternoon. The Bruins scored two unearned runs in the bottom of the first inning when with the bases loaded and one out, LeeAnne Ketcham committed an error at shortstop, allowing two runs to score.

Dena Carter started in the circle for OSU and despite not allowing an earned run on four hits, took the loss. The Cowgirls could only muster up one run of support. The lone run came in the top of the seventh when Roche, pinch running for Carter who had drawn a walk, advanced to third on a double by Linda Sodano. With one out, Kimberling singled down the right field line, scoring Roche, but pinch runner Dani Pfeiffer was thrown out at the plate attempting to score. Donna Forman lined out for the final out of the game and a 2-1 Cowgirl loss.

The next afternoon, it was another pitcher's duel as Carter and Fresno State's Marcie Green each threw a shutout through nine innings. A thunderstorm delayed the game, which was resumed the next afternoon. FSU's Carie Dever walked, moved to second on a sacrifice bunt, and advanced to third on a single. On the next at-bat, the Cowgirls attempted to prevent the run from scoring on a fielder's choice, but Kimberling dropped the ball, scoring the only run of the game.

While the Cowgirls didn't get the national championship that they desired, their second-straight third-place finish boosted the program and got them ready for more WCWS appearances and success in the future.

WOMEN'S COLLEGE WORLD SERIES - 1993

Three years removed from its last NCAA Women's College World Series appearance, the Oklahoma State women's softball team got another chance at a national title. On the way there, the Cowgirls captured their fifth-straight Big Eight Championship and swept Utah State in the Stillwater Regional for the right to go to Oklahoma City.

Game one saw the Cowgirls take on Florida State. OSU struck first in the bottom of the fourth when Linda Sodano scored on a wild pitch and Renee Cline singled up the middle to score Sandra Burkey. Toni Brown would later score on a Melanie Roche sacrifice fly to give the Cowgirls a 3-0 cushion. OSU added two more in the bottom of the fifth. Florida State scored two runs in the top of the seventh, but the Cowgirls eventually ended the game with a 5-2 win. Roche started in the circle and went five innings, allowing no runs on one hit while striking out seven.

Game two the next day against defending champions UCLA would prove to be a classic. The game when 12 scoreless innings, with only five hits scattered throughout the first seven innings. The winning run came in walk-off fashion in the bottom of the 13th inning when with one out, Shyla Sicks hit a bloop single to center which allowed Kendra Hanes to score the winning run. Roche threw all 13 innings, allowing no runs on five hits. She struck out four while walking three.

The following game proved to be another extra-innings battle against eventual champion Arizona. The game remained scoreless until the bottom of the ninth when Arizona scored with one out for a 1-0 walk-off victory. Roche, who pitched extra-inning games on consecutive nights, went 8-1/3, allowing just one run despite giving up 12 hits.

The Cowgirls' final game of the 1993 season would come a few hours after the game-three loss. OSU would partake in a rematch against UCLA, however, the outcome was much different. The Cowgirls couldn't manage a run in seven innings and fell 5-0, ending their national title hopes. Roche pitched 4-1/3 innings, allowing five runs on six hits.

This trip to the WCWS had the Cowgirls play eight total extra innings in their four games and 16 total innings on their final day of competition and defeat the defending champions in a classic.

Shortstop April Austin and Roche were both named to the all-tournament team. The Cowgirls finished the season 50-9, one win shy of the school record.

Roche was a first-team All-American, while outfielder K.K. McCoy was named to the third team.

WOMEN'S COLLEGE WORLD SERIES - 1994

A year removed from another trip to the Women's College World Series, the 1994 Oklahoma State softball team was poised for another trip to Oklahoma City. The Cowgirls returned eight starters and three All-Big Eight honorees from the squad that finished in fourth place the year before. The Cowgirls won their sixth-straight Big Eight title and swept the Stillwater Regional to earn another trip to OKC.

Game one of the WCWS didn't go the way the Cowgirls expected. The game remained scoreless through seven innings. In the eighth inning, Utah scored two, all it needed in a 2-0 win. Amy Day threw all eight innings, allowing two runs on five hits while striking out eight.

The Cowgirls rebounded in their second game, this time against Big Eight-rival Missouri. The Cowgirls scored one in the top of the first when Kim Ward scored on a single by Michelle Kelly. However, the Tigers responded in the bottom of the frame to tie the game, and in the bottom of the second, scored two to take a 3-1 lead.

OSU tied it up at 3-3 in the top of the fourth when Ward and Kelly scored on an error by the MU third baseman. The Cowgirls regained the lead in the top of the sixth when Kelly scored on a single by Tonia Brown. Later in the inning, Karie Langelier hit a two-run home run to give OSU a 6-3 cushion. The Cowgirls added one more in the top of the seventh and Missouri was never able to catch up, allowing OSU to take game two, 7-3. Ward threw seven innings, allowing three runs on five hits, striking out five.

Game three came later that night against Fresno State. The Cowgirls allowed pitching to take over in this game, scoring one run in the bottom of the fifth when Brown scored on a single by April Austin. They added another run in the bottom of the sixth on a fielder's choice. The Cowgirls won the game 2-0 and Day went seven innings, allowing no runs on four hits and striking out seven.

Game four against Cal State-Northridge would prove to be an instant classic for the Cowgirls. In the game, OSU struck first in the top of the fourth when Kelly singled in Amanda Emmons to take a 1-0 lead. Northridge responded in the bottom half, only for OSU to retake the lead in the top of the fifth when Langelier scored on a single by Austin. Northridge tied the game at 2-2 in the bottom of the sixth, and nine extra innings were needed to decide the outcome.

The Cowgirls scored one run in the top of the 15th inning when Koni Couts scored on a sacrifice fly by Austin. The 3-2 score would hold up, giving the Cowgirls the victory. Ward went six innings, allowing two runs on five hits and striking out seven. In relief, Day went nine innings, allowing no runs on four hits and striking out five. The 15-inning affair is the longest game the Cowgirls have ever played in the WCWS.

A rematch against Northridge in the semifinals didn't have the same outcome as OSU fell to the Matadors 4-2, ending its WCWS hopes.

Austin, Day and Ward were all named to the all-tournament team, with Ward and Day earning All-America honors.

WOMEN'S COLLEGE WORLD SERIES - 1998

After a four-year hiatus from its last Women's College World Series, the Oklahoma State softball team made their return to Oklahoma City in 1998. After tying for third place at the Big 12 Tournament, the Cowgirls wondered where they'd be sent for the NCAAs.

After the first seven regionals were announced, with OSU not mentioned once, the final regional came on the board. Stanford, the top seed, would play Missouri State while third-seeded Florida State would play the Cowgirls ... in Stillwater!

Oklahoma State defeated the Seminoles 4-0, then defeated the MSU Bears, 4-0 as well. The Cowgirls defeated Stanford 4-0 in what appeared to be destiny and went on to their sixth WCWS appearance.

As winners of the No. 8 regional, Oklahoma State was set up to face top-ranked Arizona in the first round. The game proved to be a pitching duel between OSU's Jenn Markert and the Wildcats' Nancy Evans. In the end, the Wildcats won 1-0 on a solo home run by Leticia Piñeda.

With a day off to regroup, game two involved a match-up with the UMass Minutewomen. The Cowgirls were going to face UMass's top pitcher, Danielle Henderson, who had the nation's best ERA and only allowed one home run all season.

However, OSU had other plans. Liz Silva, Kristi Bolle and Shannon Sullivan would all hit homers and propel the Cowgirls to a 6-0 victory. It set a record for most home runs by a team in a single game at the WCWS.

Game three saw a rematch between OSU and Michigan from earlier in the season when the Wolverines defeated the Cowgirls in the finals of the NFCA Leadoff Classic. Luckily, this game had a different outcome. The Cowgirls scored two first-inning runs without a hit. Michigan All-American Sara Griffin walked two, and the Wolverines committed two errors, the latter a boot by second baseman Melissa Taylor on Jaime Foutch's hard bouncer, allowing two runs to score. The Cowgirls eventually won 3-1, and in the process earned their fourth win over a ranked opponent in six games.

Next up was a rematch with Arizona. The outcome was unfortunately the same for Oklahoma State as the Wildcats defeated the Cowgirls 5-0. Markert gave up two two-run homers, and with Evans pitching again for the Wildcats, Arizona shut down the Cowgirls on two hits.

Oklahoma State finished fourth in the WCWS and was ranked fourth in the final NFCA poll. Third baseman Kristi Bölle received all-tournament team accolades, and Jaime Foutch was named a first-team All-American.

WOMEN'S COLLEGE WORLD SERIES - 2011

It didn't take head coach Rich Wieligman long to return the Cowgirls to national prominence. Oklahoma State had not been to the Women's College World Series in 13 years, and although the 2011 squad had played well throughout the season, a six-game losing streak to wrap up the regular-season schedule.

After being swept by Missouri, Texas A&M and Nebraska to wrap up Big 12 play, the Cowgirls limped into the NCAA Tournament, serving as the No. 3 seed in the Knoxville Regional. OSU faced No. 2 seed Georgia Tech in the first game, and a walk-off single by Julie Ward scored Kelsey Anchors from second to give the Cowgirls a 2-1 victory over the 19th-ranked Yellow Jackets.

In a winner's bracket game against host and No. 5 Tennessee, Alysia Hamilton went 3-for-3 with a single, a double and a home run, and Kat Espinosa continued to pitch well as the Cowgirls defeated the Lady Volunteers 6-1. Tennessee went on to defeat Georgia Tech and set up a rematch in the regional finals, with the Volunteers needing two wins over Oklahoma State.

In the regional finals, the Cowgirls took a 3-0 lead in the bottom of the third, but Tennessee bounced back, scoring one run in the top of the fourth and three in the fifth.

In the bottom of the sixth, Tarah Ettinger hit a bases-loaded double, scoring two and giving OSU a 6-4 lead. In the top half of the seventh, UT had runners on first and second with no outs. A groundout moved both runners up, and a sacrifice fly made the score 6-5 OSU. Tennessee's Lauren Gibson hit a drive to left field, with a runner on second, but Tamara Brown charged the ball and nabbed it cleanly, throwing a strike to Ashley Boyd at home and getting the final out of the game.

Thanks to an upset by the Houston Cougars over the Texas Longhorns, the Cowgirls received the Super Regional bid to host UH. Oklahoma State took the first game, 3-0, but fell to the upstart Cougars, 1-0, in game two, setting up an if-necessary contest.

OSU began the deciding game with a three-run first inning, but Houston responded in the bottom of the frame with two runs of its own. The Cougars jumped in front in the third with a two-run home run, giving UH a 4-3 lead.

In the fifth, a walk, a single by Hamilton, and another walk loaded the bases for Chelsea Garcia, who tied the game with an RBI groundout. Hamilton then scored from third on a wild pitch, putting OSU back on top 5-4.

Brown provided what would prove to be the winning run with a double to put OSU ahead 6-4. The Cougars hit a pinch-hit solo home run to lead off the bottom of the seventh, but the infield recorded two outs and Espinosa struck out the final batter, sending the Cowgirls to Oklahoma City.

OSU faced Big 12-rival Baylor, whom the Cowgirls swept earlier in the season in Waco, in the first game of the WCWS. After a scoreless seven innings by both pitchers, BU's Kelsi Kettler hit a solo home run in the bottom of the eighth for the heartbreaking 1-0 loss in front of 7,280 fans, a Session 1 attendance record.

The Cowgirls faced California in an elimination game, and despite a hard-fought battle, OSU eventually fell to the Bears, 6-2, and ended the season at 42-20. However, it was a return to a pinnacle Oklahoma State had regularly frequented, and hopes to do again soon.

University

With more than 350 undergraduate and graduate degrees and options, as well as professional degree programs in medicine and veterinary medicine, OSU provides unmatched diversity of academic offerings.

OKLAHOMA STATE UNIVERSITY

Oklahoma's only university with a statewide presence, Oklahoma State University is a five-campus, public educational system that improves the lives of people in Oklahoma, the nation, and the world by adhering to its land-grant mission of high-quality teaching, research and outreach.

OSU research, scholarship, and creative activities promote human and economic development through the expansion of knowledge and its application.

Established as a result of the Morrill Act, the Stillwater campus is the home of the OSU System. OSU was founded on Dec. 25, 1890, as Oklahoma Agricultural and Mechanical College. On July 1, 1957, Oklahoma A&M College became Oklahoma State University.

The OSU System has an enrollment of more than 35,000 students across all its campuses. Named Oklahoma's inaugural Truman Honor Institution for its production of Truman Scholars, OSU today boasts students from all 50 states and more than 100 nations. There are more than 250,000 OSU alumni throughout the world.

When it comes to outreach, OSU reaches across the state of Oklahoma. It has five campuses: Stillwater, which includes the Center for Veterinary Health Sciences; OSU-Tulsa; OSU-Oklahoma City; OSU Institute of Technology in Okmulgee; and the OSU Center for Health Sciences in Tulsa, which includes the OSU Medical Center. OSU also boasts 16 agricultural experiment stations statewide, extension offices serving all the state's 77 counties and research facilities in Stillwater and Tulsa.

With more than 350 undergraduate and graduate degrees and options, as well as professional degree programs in medicine and veterinary medicine, OSU provides unmatched diversity of academic offerings.

OSU conducts innovative research and technology transfer that enhance Oklahoma's economic vitality and its quality of life. The focus has expanded greatly since 1890, but the third cornerstone of the university's land-grant mission remains as crucial for the future of Oklahoma as it was at statehood. Interdisciplinary collaborations with academic institutions, government agencies, private business, and industry ensure that contributions of faculty and student researchers to the development of new knowledge and its dissemination are pertinent and lasting.

Areas of emphasis include: alternative energies and conservation; animal-based agriculture and biotechnology; environmental protection; food production and safety; health and medicine; manufacturing and advanced materials; national defense and homeland security; sensors and sensor technologies; aerospace and unmanned aerial systems; and transportation and infrastructure

OKLAHOMA STATE UNIVERSITY

Although OSU is a large, comprehensive university, its size does not minimize the personal attention given to each student. OSU encourages all students when they first enroll to identify the college in which they wish to major. Because the average number of students majoring in any one department is less than 150, the student can count on personal attention in a friendly environment.

OSU offers students many distinct advantages. It has nearly four million volumes in the library; modern research laboratories and equipment; excellent physical education, recreation and student union facilities; nationally-recognized residence hall programs; outstanding cultural and sporting events; nearly 500 student organizations; and nearly 40 nationally affiliated fraternities and sororities that provide a stimulating educational and social environment.

UNIVERSITY HISTORY

The story of Oklahoma State University began on Christmas Eve, 1890, at the McKennon Opera House in Oklahoma's territorial capital of Guthrie when Territorial Governor George W. Steele signed legislation establishing an Oklahoma Agricultural and Mechanical College (OAMC) in Payne County.

OAMC's first students assembled for class on Dec. 14, 1891, even though there were no buildings, no books, and no curriculum. The college's first students attended classes in the Stillwater Congregational Church. The original campus consisted of 200 acres of prairie that were donated by four local homesteaders. The college's first six graduates received their diplomas in 1896.

Visitors to the OSU campus often marvel at its beauty and consistency of architecture. Much of the credit goes to legendary president, Henry G. Bennett, who served from 1928-1951. Dr. Bennett's 25-year campus master plan envisioned some of the university's most famous and beautiful structures, including the Edmon Low Library and the OSU Student Union.

A new campus master plan is guiding unprecedented construction that is making OSU more competitive in academics and athletics. Since the fall of 2008, OSU has opened the Multimodal Transportation Terminal, the North Classroom Building, the west end zone of Boone Pickens Stadium, a refurbished Old Central, the Donald W. Reynolds Architecture Building, an upgraded Murray Hall, the Henry Bellmon Research Center and a renovated Student Union, considered the most comprehensive union in the country. Most recently, the university has opened University Commons residential life facility, Bert Cooper Engineering Structures Lab, a new information technology building, library annex, Greenwood Tennis Center, a new outdoor track, a renovated Atherton Hotel and a new wing to the College of Human Sciences building. Work is under way on a new business building, the McKnight Center for the Performing Arts and other projects. Hall of Fame Avenue on the north, University Avenue on the south, and Monroe Street through the campus core have been significantly upgraded, and the university is making numerous upgrades to its campus landscape.

OSU grew quite rapidly following World War II. The post-war years were marked by a huge enrollment surge. The mid-1940s also were a golden era for athletics at Oklahoma A&M. In a 90-day period in early 1945, A&M teams won the Cotton Bowl, the NCAA championship in wrestling, and the NCAA championship in basketball. The next year, the wrestling and basketball teams repeated as national champions, and the football team won the Sugar Bowl to clinch a national title, which was retroactively awarded by the Football Writers Association of America.

By the 1950s, the college had grown substantially. In 1957, Oklahoma A&M became The Oklahoma State University for Agriculture and Applied Science.

During the next three decades, OSU would build academic programs to match its new status. Enrollment more than doubled from 10,385 in 1957 to more than 23,000 in the 1980s. OSU became a statewide university system, adding branches in Okmulgee in 1946 and Oklahoma City in 1961. OSU merged with the Oklahoma College of Osteopathic Medicine in 1988, and OSU-Tulsa was born in 1999.

Today, OSU has more than 35,000 students across five campuses and a presence in every Oklahoma county through its extension offices and experiment stations. From six graduates in 1896, to more than 7,000 annually today, the small college on the prairie has grown and prospered far beyond the dreams of its founders. OSU teaching, research and graduates are making a bigger impact on the lives of people around the world than ever before. It's a great time to be a Cowboy!

Oklahoma State University, in compliance with Title VI and VII of the Civil Rights Act of 1964, Executive Order 11246 as amended, and Title IX of the Education Amendments of 1972 (Higher Education Act), the Americans with Disabilities Act of 1990, and other federal and state laws and regulations, does not discriminate on the basis of age, race, color, religion, sex, sexual orientation, genetic information, gender identity or expression, national origin, disability, protected veteran status, or other protected category, in any of its policies, practices or procedures. This provision includes, but is not limited to admissions, employment, financial aid, and educational services. OSU is a VEVRAA Federal Contractor and desires priority referrals of protected veterans for its openings. OSU will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. However, employees who have access to the compensation information of other employees or applicants as a part of their essential job functions cannot disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) in response to a formal complaint or charge, (b) in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or (c) consistent with the contractor's legal duty to furnish information. The Director of Equal Opportunity, 408 Whitehurst, OSU, Stillwater, OK 74078-1035; Phone 405-744-5371; email: eeo@okstate.edu has been designated to handle inquiries regarding non-discrimination policies: Director of Equal Opportunity. Any person (student, faculty, or staff) who believes that discriminatory practices have been engaged in based on gender may discuss his or her concerns and file informal or formal complaints of possible violations of Title IX with OSU's Title IX Coordinator 405-744-9154." UNIVERSITY PRESIDENT BURNS HARGIS

OKLAHOMA STATE
COWBOYS

BURNS HARGIS

UNIVERSITY PRESIDENT
10TH YEAR

Burns Hargis was named the 18th President of Oklahoma State University and the OSU System in December 2007 and took office March 10, 2008.

Hargis oversees one of the nation's most comprehensive land-grant university systems with more than 35,000 students, 7,400 employees, and campuses located in Stillwater, Tulsa, Oklahoma City and Okmulgee.

He has guided OSU to record enrollment and record fund-raising, reaching the $1 billion Branding Success campaign goal in April 2013, nearly two years ahead of schedule. The campaign focused on student scholarships, faculty and other vital resources and programs. He also is overseeing a construction boom that is transforming the OSU campus to be more competitive in academics and athletics.

Hargis has a bold vision of creating a modern land-grant university that cuts across disciplines to better prepare students for success.

Hargis, who holds degrees in accounting from Oklahoma State University and in law from the University of Oklahoma, is the second OSU graduate to lead the university as president. Oliver S. Willham, who served as president from 1952 to 1966, graduated from then Oklahoma A&M in 1923.

He is past chairman of the Big 12 Conference Board of Directors and represents the conference as a member of the Board of Managers of the College Football Playoff.

Before being named OSU President, Hargis had a long and distinguished legal and business career, with active civic and philanthropic leadership across many fronts. He also is familiar to many Oklahomans through the political perspective and wit he provided on the award-winning television program "Flashpoint".

Prior to coming to OSU, he was Vice Chairman of Bank of Oklahoma, N.A. Before joining Bank of Oklahoma in 1997, Hargis practiced law in Oklahoma City for 28 years, most recently with the firm of McAfee & Taft. He is a former president of the Oklahoma County Bar Association, former president of the Oklahoma Bar Foundation, and is a Fellow of the American Bar Foundation.

Hargis served as vice-chairman of the Oklahoma State Election Board, the Oklahoma Constitutional Revision Commission, and served as Chairman of the Oklahoma Commission for Human Services. Hargis was a candidate for the Republican nomination for Governor of Oklahoma in 1990.

A firm believer in the power of imagination and collaboration, Hargis was the first chair of the Oklahoma Creativity Project. He has served and chaired many boards, including the Board of Regents for the Oklahoma Agricultural and Mechanical Colleges of Oklahoma State University.

Hargis received the state's highest honor when he was inducted into the Oklahoma Hall of Fame in 2009. Hargis and his wife, Ann, have two married children and three grandchildren.

ATHLETIC DIRECTOR MIKE HOLDER

MIKE HOLDER

ATHLETICS DIRECTOR
13TH YEAR | OKLAHOMA STATE, 1970

Recognized as a 2013 finalist for National Athletic Director of the Year in the Sports Business Awards by *SportsBusiness Journal* and *SportsBusiness Daily*, Mike Holder is a central figure in Oklahoma State's current athletic resurgence. He was named Vice President for Athletic Programs and Director of Intercollegiate Athletics at Oklahoma State University on Sept. 16, 2005.

In his 32 years of leading his alma mater's golf program, Holder's name became synonymous with success not only on the golf course, but in fundraising, facility development and the academic performance of his student-athletes. In fact, a case could be made that Holder took Oklahoma State's already strong golf program and transformed it into America's best.

Those same leadership skills have served him well in his time guiding OSU's athletic department. His plan and vision for the betterment of Cowboy and Cowgirl athletics have taken shape, most notably with the completion of Boone Pickens Stadium. The stadium, now a horseshoe with more than 60,000 seats, features 123 suites.

Also during Holder's tenure, OSU opened the 92,000 square foot Sherman E. Smith Training Center to serve several Cowboy and Cowgirl teams, the sparkling 50,000-square foot Michael and Anne Greewood Tennis Center - which features six indoor courts and 12 outdoor courts - and a brand new track and field complex. In the spring of 2017, OSU broke ground on a new $20 million soccer complex that is planned to open in the fall of 2018.

OSU has won five more national team championships under Holder's watch, raising the school's championship count to 56 – the fourth best total in the country and tops in the Big 12 Conference. With Holder serving as athletic director, 11 different OSU teams have combined to win 46 Big 12 team titles.

The Cowboy football team has appeared in 11 straight bowl games for the first time in school history. In 2011, OSU claimed its first outright conference football championship of the modern era.

Holder's tenure has also featured landmark fundraising by the athletic department, including the $165 million gift from T. Boone Pickens that pushed OSU's facility drive into high gear. The legendary OSU alum also helped complete the west end zone project with another $63 million gift in 2008.

At Holder's urging, OSU Athletics has placed an emphasis on scholarship endowments. The "Leave A Legacy" endowment drive has seen Oklahoma State climb from dead last in the Big 12 to the top with gifts and commitments of approximately $61 million. As recently as 2009, OSU's endowment stood at just $2.1 million.

Perhaps Holder's adept fundraising stems from his "fundgiving". He and his wife, Robbie, illustrated their commitment to Oklahoma State when they donated $500,000 for the first fully endowed scholarship for Cowboy football. The scholarship is named for former OSU player, the late Vernon Grant. The Holders' lifetime giving to OSU surpasses $2.5 million, including $1 million for an entrepreneurship super chair at OSU in the Spears School of Business.

"Robbie and I made the gift to the college of business because of (OSU donors) Malone and Amy Mitchell," Holder said at the announcement. "Having two degrees in business was the icing on the cake. I would like to see the new program nationally recognized and make a difference in the lives of young people."

Malone and Amy Mitchell had made a $57.2 million gift to OSU, split evenly between athletics and academics, on the day the Holders announced their $1 million gift.

Things are on the upswing at the turnstiles as well. Oklahoma State set new school records for football season ticket sales in 2008, 2009, 2011, 2012 and 2013, surpassing the 50,000 mark for the first time in 2013 with a final tally of 50,223 season tickets sold that season.

During his tenure as the men's golf coach, Holder's successes included not only his team's results on the course, but his players' performances in the classroom and beyond. His vision and fundraising abilities resulted in the creation of Karsten Creek, a magnificent golf course in Stillwater, selected as the Best New Public Course in 1994 by *Golf Digest* magazine. That publication listed Karsten Creek as the nation's 14th "greatest public course" in 2017.

In 2000, Holder's Cowboy golf team claimed the national championship, marking the eighth time his squad carried home the NCAA trophy. And while high national finishes are the norm at Oklahoma State, the accomplishments of his teams never stopped at the 18th hole.

Holder took over his OSU coaching post on July 1, 1973, and during his tenure, his teams set student-athlete standards that were unequaled. While he coached 112 All-America selections, including 38 first-team choices, and has numerous former players competing on the PGA Tour, overseas and on mini-tours, Holder saw to it that his players also excelled in the classroom. During his tenure, OSU produced three Ben Hogan Award winners, which was based on academic and athletic excellence nationwide. Kevin Wentworth earned the honor in 1990, Trip Kuehne claimed the prestigious award in 1995 and Hunter Mahan was named the 2003 recipient. Kuehne was OSU's outstanding male graduate in 1995 as well.

Holder is one of five coaches in NCAA history, regardless of sport, to win a national championship in four different decades. Three times Holder coached the Cowboys to the national team title the same year an OSU individual also claimed medalist honors (1978, 1987 and 2000). Along the way, he claimed 25 conference championships. His 21 Big Eight championships were the second most by a head coach in any sport, trailing only Kansas basketball coach Phog Allen.

As a student-athlete, Holder was the 1970 Big Eight medalist and led OSU to the conference team title. He was a third-team All-American as a junior and a senior and an honorable mention All-American as a sophomore.

Holder, a graduate of Ardmore High School, earned his degree in marketing from Oklahoma State in 1970 and completed work on his MBA at OSU in 1973. His wife, Robbie, graduated as salutatorian from Jasper High School in 1966, and attended the University of Houston where they met at the All-American Intercollegiate golf tournament in 1968.

Very few athletic departments produce the kind of consistent success found at Oklahoma State.

OSU's athletic department boasts NCAA team championships in five different sports – wrestling (34 titles), men's golf (10 titles), men's cross country (four titles), men's basketball (two titles) and baseball (one title). Additionally, OSU football and equestrian have been recognized as national champions by other organizations, with football honored as the American Football Coaches Association national champion in 1945 and equestrian winning four team national titles as recognized by the National Collegiate Equestrian Association.

Counting NCAA team titles plus football, OSU has won 52 national championships - a mark that ranks fifth among all Division I schools.

That same success translates on the conference level, where Oklahoma State has amassed 402 team conference championships entering the 2017-18 academic year. A team-by-team look at OSU athletics:

MEN'S CROSS COUNTRY/TRACK AND FIELD

Oklahoma State has won three NCAA cross country team championships since 2009 and finished in the top 10 at the NCAA Championships in six of the last eight seasons. The Cowboys have won nine straight Big 12 team titles.

OSU won the 2014 and 2016 Big 12 Indoor Track and Field team championships and placed 15th at the 2016 NCAA outdoor championships. A Cowboy has won an NCAA title in two of the past three outdoor seasons, with Chad Noelle winning the 1,500 meters in 2015 and Nick Miller winning the hammer throw in 2016.

The 2017 squad featured 12 Academic All-Big 12 selections, including Big 12 men's track and field scholar-athlete of the year Craig Nowak.

WOMEN'S CROSS COUNTRY/TRACK AND FIELD

The Cowgirls won the 2015 Big 12 cross country title and have placed in the top four at the Big 12 meet in each of the past six seasons. For context, OSU had only three top-three finishes at the Big 12 meet from 1990-2010.

Kaela Edwards won the 2016 NCAA indoor mile championship and as a team, OSU placed 10th at the 2016 NCAA indoor meet and 12th at the NCAA outdoor meet - both of which marked the best in program history.

In 2017, the Cowgirls ranked second in the league with 24 Academic All-Big 12 honorees.

SOCCER

The Cowgirls have earned berths in nine of the last 11 NCAA Championships and advanced to the Elite Eight in 2010 and 2011. From 2008-11, OSU celebrated four consecutive Big 12 championships. Forward Courtney Dike played in the 2015 FIFA Women's World Cup.

In 2017, 13 Cowgirls secured Academic All-Big 12 recognition, highlighted by CoSIDA Academic All-American Courtney Dike.

MR. T. BOONE PICKENS

T. Boone Pickens is arguably OSU's (and the state's) most visible personality. His various endeavors and colorful demeanor have been chronicled on the covers of most American business publications and by some of the most-watched television programs in the country.

During the span of his long career, T. Boone Pickens has created thousands of jobs and made billions of dollars— for others as well as himself — and he isn't timid about spreading it around. "I like making money. I like giving it away…. not as much as I like making it, but it's a close second," he has often said.

The breadth of his philanthropy — which approaches $1 billion during his career — includes health and medical research, treatment and services; entrepreneurship; kids at risk; education and athletics, with a particular focus on his alma mater, Oklahoma State University; corporate health and fitness; and conservation and wildlife management. While many donations involve tens of millions of dollars and attract headlines, there are hundreds more ranging from hundreds of thousands to several hundred. Each is important in its own way.

The establishment of the T. Boone Pickens Foundation has ensured his continued ranking as one of the top U.S. philanthropists. The Pickens Foundation is improving lives through grants supporting educational programs, medical research, athletics and corporate wellness, at-risk youths, the entrepreneurial process and conservation and wildlife initiatives.

In 2007, Pickens brought his innovative entrepreneurial approach to the philanthropic sector, announcing the Foundation's largest gifts yet — $50 million each for two University of Texas health care institutions: UT Southwestern Medical Center at Dallas and The University of Texas M. D. Anderson Cancer Center in Houston. Under unique agreements, the gifts create special funds at the institutions, requiring that they grow to $1 billion ($500 million each) within 25 years from earnings on the original principal and/or from new outside donations solicited by the institutions. When the $500 million marks are reached, the institutions will be able to distribute the funds as they deem fit.

In many ways, Pickens is a record-setting philanthropist. His $165 million gift to his alma mater, Oklahoma State University, in 2005 is the single largest gift for athletics in NCAA history, and the $7 million donation to the American Red Cross in 2005 is the largest individual contribution in the 150-year history of that organization. His unprecedented giving to athletics has triggered a renaissance in Oklahoma State University's football program and was a key factor in its first Big 12 championship in 2011 and its first BCS Bowl win in the Fiesta Bowl matchup with Stanford in 2012.

On May 21, 2008, Pickens gave $100 million for the endowment of major faculty chairs and professorships at Oklahoma State University. The OSU School of Geology already bears his name from previous gifts to OSU.

Over the years, Pickens has donated over $500 million to Oklahoma State, split virtually equally between athletics and academics.

In 2010, OSU launched its campus-wide "Branding Success" campaign and T. Boone Pickens again led the charge with yet another $100 million gift to his alma mater.

Recently, Pickens has become a national and indeed a world leader on the energy front with the launching of the Pickens Plan, which is a unique private sector initiative formed to address the economic and national security threats posed by America's ever-increasing reliance on OPEC oil.

THE BIG 12 CONFERENCE

The Big 12 enters its 22nd year in 2017-18 as it continues to promote the strength and success of one of the nation's premier athletic conferences under the direction of sixth-year commissioner Bob Bowlsby.

TCU and West Virginia joined the league on July 1, 2012 and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 remains as the only autonomy conference to determine its champions in all sports directly on the field of play with a full round-robin schedule. The Conference's hard work ethic and strong values have translated to enormous success in its first 21 years. Since it began competition in 1996-97, the league can boast of 58 NCAA team titles and 645 individual national championships.

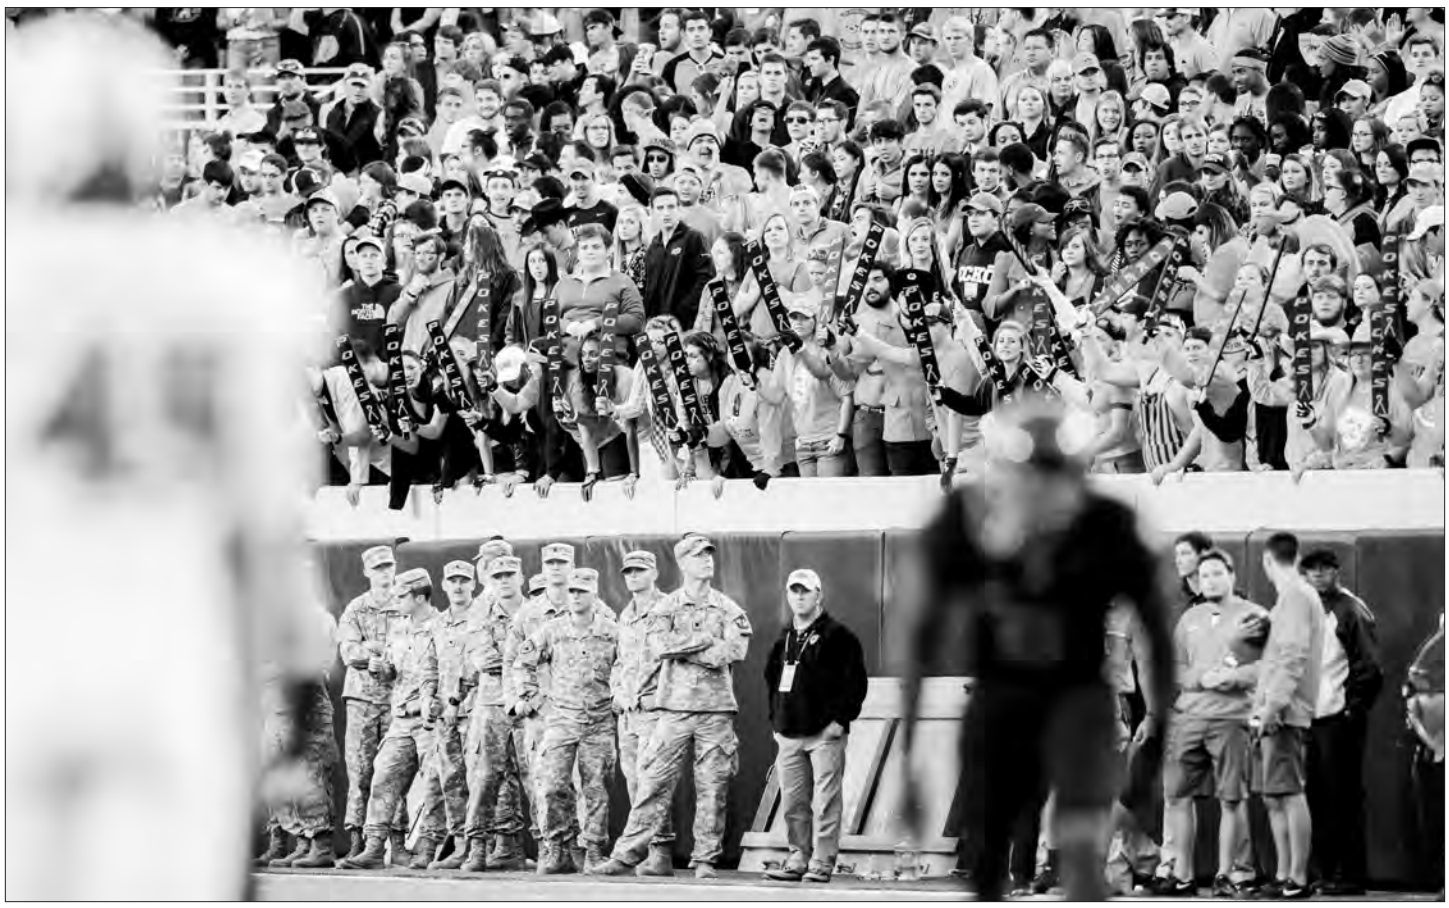
The Big 12 has been at the forefront in college athletics reform, specifically with student-athlete welfare issues to include cost of attendance, student-athlete time demands and strengthening its policy for concussion diagnosis and management. In 2014-15, the Big 12 introduced and hosted three "State of Collegiate Athletics" forums to examine the issues facing college athletics. Two were conducted in Washington, D.C and one in New York City. Panelists included respected authorities from intercollegiate athletics, university leadership and sports journalism. The third forum featured a special session comprised of student-athletes. The Big 12 continued the "State of Collegiate Athletics" forums the past three seasons with Dallas serving as the host site for two events and the most recent in Atlanta.

The Big 12 claimed four national championships in 2016-17 as Oklahoma brought home trophies in women's gymnastics, men's golf and softball, while Texas won men's swimming & diving. West Virginia played for the national championship in soccer while Texas advanced to the volleyball title match for the second-consecutive season. TCU baseball made its fourth-consecutive appearance in the College World Series. Oklahoma football won its 10th Big 12 title to advance to the Sugar Bowl. It marked the Conference's fifth appearance in a College Football Playoff New Year's Bowl in the three years of the structure. The Sooners also had two Heisman Trophy finalists, giving the Conference 18 since 1996, and two finalists for the fifth time. Texas' Courtney Okolo won the Bowerman Award, which is track & field's equivalent to the Heisman.

The Conference also had a banner year on the national stage in 2015-16. Two teams competed in 2015 College Football Playoff New Year's Bowls for the second consecutive season. Oklahoma made the Conference's first appearance in the CFP semifinals while OU men's basketball advanced to the Final Four. Other highlights included national championships by Texas men's swimming and diving and Oklahoma women's gymnastics and softball. National runner-up finishes were recorded by Texas volleyball, Oklahoma State wrestling, TCU equestrian, Texas men's golf, Oklahoma men's tennis and Oklahoma State women's tennis. Three Big 12 squads were among the eight teams that advanced to baseball's College World Series.

The Big 12 lays claim to five Heisman Trophy winners since 1996 and has had a finalist in 13 of its seasons. Twenty-seven major individual awards have been won by Big 12 student-athletes in football over the past eight campaigns. Overall, more than 4,800 student-athletes have earned All-America recognition. West Virginia soccer standout Kadeisha Buchanan earned the Hyundai Young Player Award at the 2015 World Cup while playing for her native Canada, given to the player born in 1995 or later that made the biggest impression in the competition. She followed that up by being named the 2016 Honda Sport Award winner for soccer.

Through its first 21 years, the Big 12 has claimed a team national championship in 17 of the sports it sponsors. The Conference finished the BCS era ranked tied for second with seven appearances in the National Championship



Game. The league has finished in the top two of women's basketball conference RPI in nine of the last 11 years and sent at least 70 percent of its teams to postseason for the eighth-straight season. In men's basketball, the league has had at least six 20-wins teams for 11 consecutive seasons, including each of the five years since it began competing with 10 squads. The Big 12 has had 27 teams earn NCAA bids over the past four campaigns, a total that ranks second nationally.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Ty Darlington (Oklahoma) was the recipient of the 2015 William V. Campbell Trophy, known as the Academic Heisman. Gabe Ikard (Oklahoma) was presented the NCAA Today's Top 10 Award in January 2015. It recognizes former student-athletes for their successes on the fields and courts, in the classroom and in the community. Since 1996, the Big 12 has a total of 11 honorees for this prestigious award. In the last six seasons, 11 student-athletes were recipients of the NCAA Elite 90 Award with Oklahoma State's Christian Liddell (men's cross country) and Baylor's Jimmy Bendeck (men's tennis) picking up the most recent honors in 2016-17. The accolade showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has over 600 Academic All-America recipients, averaging about 30 each season. Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. Twelve times in the past 12 years a league athlete has garnered the top academic honor for their respective sport, including Christina Hillman (Iowa State) for track & field/cross country in 2016.

The Big 12 can take pride in other stories that combine on and off the field success. In the fall of 2013, former Texas Tech track and field student-athlete Ifeatu Okafor was named the Big 12's first NCAA Woman of the Year. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008 while Imani McGee-Stafford (Texas) was honored in 2015. It is given to an outstanding female college athlete who overcomes adversity to excel in her sport. Oklahoma State women's basketball was the inaugural recipient of the "Together We R" Team Award in 2012, recognizing programs that have strived to succeed in the face of adversity. Following a devastating tornado south of Oklahoma City just before the Big 12 Baseball Championship in 2013, several league baseball teams along with other student-athletes, coaches and former Conference players contributed help in a variety of ways. Plus, the Conference contributed $200,000 to the relief efforts. In the fall of 2014, Oklahoma football student-athlete Sterling Shepard and head coach Bob Stoops were honored with the Disney Sports Spirit Award while Kansas football student-athlete JaCorey Shepherd received the Lee Roy Selmon Community Spirit Award. Ty Darlington (Oklahoma) earned the 2015 Wuerffel Trophy which recognizes community service along with athletic and academic success.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsperson of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 401 scholars have received over $2.9 million in postgraduate financial aid through the first 21 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 38 million people. Nearly 5,000 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference currently conducts postseason championships for 21 of its 23 sports with the Football Championship Game returning in 2017 after a six-year absence. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition.

In its first 21 years, the Big 12 has distributed $2.941 billion to its member institutions, including a record $34.8 million per institution in 2016-17, an increase of 15 percent over the previous year. The Conference office is headquartered in Irving, Texas.

STILLWATER, OKLAHOMA

Located in north central Oklahoma, and easy drives from Oklahoma City, Tulsa, Kansas City and Dallas, Stillwater provides college-town atmosphere with big-city access. The Stillwater Regional Airport (SWO) offers two daily flights to and from American Airlines' largest hub at Dallas/Fort Worth International Airport (DFW) with more than 190 connections to 29 countries on 5 continents.

Stillwater is a rapidly growing city of 48,406 and is near the geographic center of the country. The U.S. Census Bureau recently named Stillwater as the fastest growing city in the state of Oklahoma. Often called Oklahoma's premier education community, Stillwater is the home of some of the region's finest education and training institutions, including Oklahoma State University, Meridian Technology Center, Northern Oklahoma College/OSU Gateway, and one of the nation's top-rated public school systems.

With such a strong commitment to education, it's easy to see why Stillwater's educational attainment is among the highest in the nation with 48 percent of its residents holding bachelor's degrees or higher. The city is the micropolitan anchor for the state's technology triangle that includes Oklahoma City and Tulsa.

The "college town" atmosphere lends itself to a variety of recreational opportunities. Year-round arts and cultural events appeal to many different audiences and feature music, dance, theater, festivals, lectures, and concerts. A youthful community demands the best in fitness centers, spas, parks and recreational opportunities.

And for the outdoor enthusiast, nearby lakes provide a quiet respite at the city's edge, sparkling in 234 days of annual sunshine.

After a day of work or play, residents and visitors often relax in one of the many restaurants or night spots that offer everything from barbecue to fine dining and locally inspired Red Dirt music to classic rock-n-roll. Stillwater's retail districts feature a unique shopping experience where you'll find museums, galleries, and shops with personality. OSU athletic events attract more than 600,000 fans to Stillwater annually.

OSU has been called the "University of Golf," and the five-star Karsten Creek, home of the 10-time national champion Cowboy golf team and perennial top-10 women's program, ranks with such well-known courses as Pebble Beach. It's one of several public and private courses that prompted *Golf Digest* to call the Stillwater area among the "Top 10 Places in America to retire and play golf."

Stillwater is one of America's safest cities with a crime rate far below the U.S. average and Oklahoma State University has been considered the safest campus in the Big 12 Conference since the league's inception.

Security also comes in the form of great health care services centered around Stillwater Medical Center's state of the art facilities. And with a cost of living that averages more than 10 percent below the U.S. average, the dollar buys more.

Whether you're here for a short time or a lifetime, you'll want to stake your claim in America's Friendliest College Town . . . Stillwater, Oklahoma!

AMERICA'S FRIENDLIEST COLLEGE TOWN

OKLAHOMA STATE SPIRIT

OSU PROUD

Alumni of Oklahoma State University are as loyal to their alma mater as any group in America. Just look around the Stillwater campus. OSU's director of athletics, head football coach, head wrestling coach and head baseball coach are all graduates of Oklahoma State.

Many factors contribute to the "college experience" – not the least of which is gaining a feeling of belonging and a sense of loyalty to the school, its faculty and staff, the community that embraces the university, and the athletic teams that compete to garner conference and national honors.

Wearing school colors and displaying emblems of the university are life-long symbols of allegiance. Oklahoma State's famed Homecoming is a yearly celebration that brings much activity and excitement.

THE COWBOY TRAIL

Dating back to the 1890s, Oklahoma A&M sports teams had been referred to as Agriculturists or Aggies, the Farmers, and officially but unpopularly, the Tigers. But by 1924, Charles Saulsberry, sports editor of the *Oklahoma City Times*, and other writers who regularly covered college events, had begun to refer to Stillwater's teams as the A&M Cowboys. Reporters' constant search of colorful synonyms started sprinkling Cowpokes, Pokes, Waddies, Cowpunchers and Punchers in conversation. "Cowboys" had a Southwestern flavor and flair that fit like a favorite pair of boots.

The Athletic Council authorized athletics director Edward C. Gallagher to have 2,000 balloons printed, "Oklahoma Aggies—Ride 'Em Cowboy" for sale at football games in 1926.

PISTOL PETE

(excerpt from text written by Lance Millis)

Around 1923, when Oklahoma A&M College was searching for a new mascot to replace its tiger (copied along with the school's orange and black colors, from university founders who hailed from Princeton), a group of students saw Frank Eaton leading the Armistice Day Parade. He was approached to see if he would be interested in being the model for the new mascot, and he agreed. A likeness was drawn and began to be used on sweatshirts, stickers, etc., and a tradition was born.

That caricature was the basis for what is used today as the official Oklahoma State University mascot. For 35 years, the crusty old cowboy was a living symbol of OSU, representing the colorful past of the area. As such, he would attend OSU athletic events, building dedications, etc., and sign autographs, pose for photographs and reminisce about the Old West with anyone who would listen.

To this day, his likeness is a visible reminder of the Old West to literally millions of people yearly as a symbol of colleges whose mascots pay homage to the cowboy. Each year, OSU students tryout for Pistol Pete. A panel of former "Petes" judge the tryouts and select the two best candidates based on an interview, a mime, and posing as mascot in different "game situations." The two who are selected split the approximately 500 appearances annually. These appearances include all athletic events, pep rallies, business openings, weddings, birthday parties, and public school events.

FRANK EATON - BEFORE PISTOL PETE

"My boy, may an old man's curse rest upon you, if you do not try to avenge your father...You must never stop until they are all accounted for!" These words, according to one of Eaton's many stories, were spoken by a family friend following the brutal murder of his father, and guided the formative years of Frank's life.

Born in 1860, in Hartford, Connecticut, Frank moved with his family to Kansas shortly after the close of the Civil War. When Frank was eight years old, his father, a former Union soldier, was shot and killed by a group of lawless former Confederates. Frank was a witness to the murder and each of the murderers' faces was imprinted in his memory.

After being challenged to avenge his father's death by Mose Beaman, (the family friend), Frank set out to learn how to handle guns. Mose gave him a gun and holster, and taught him how to handle and shoot guns. Frank quickly learned to "shoot a snake's head off with either hand". During the next few years, Frank's days were spent helping his mother with chores and practicing shooting. With each passing year, he became faster and more accurate with his guns.

When Frank was 15, he learned of the location of one of his father's killers. After deciding it was almost time to set out on his mission, Frank wanted to make sure his shooting skills were good enough. He decided to visit Fort Gibson, a cavalry fort, to try to learn more about handling a gun. There he competed with the cavalry's best marksmen, beating them each time. After many competitions, the fort's commanding officer, Colonel Copinger gave Frank a marksmanship badge and a new name. From that day forward, Frank would be known as Pistol Pete.

BULLET

The Oklahoma State University Cowboys have many symbols of their western heritage, but none is more appropriate than their mascot, Bullet. The Spirit Rider program debuted in 1984 with the first few Spirit Riders providing their own horse to serve as mascot for the OSU Cowboys.

However, in 1988, Stars Parr Money was donated to the OSU Athletic Department to be used specifically as the mascot. Since that time, Bullet has delighted crowds with his traditional sprint across the football field following every Cowboy touchdown. The heart of the Cowboy Spirit Rider Program, Bullet is not only seen at Boone Pickens Stadium and other OSU football games, he's made appearances at local elementary schools, parades, rodeos and other special events, including the opening ceremonies of the Oklahoma State Special Olympics.

The tradition of the Spirit Rider can be attributed to the late Eddy Finley, who wanted to promote school spirit the "cowboy way," on horseback. Since that time, additional support has come for the Spirit Rider and Bullet, much of it due to Finley's hard work. A horse trailer, custom-tooled saddle and uniform dress for the Spirit Rider and ground crew have been donated to OSU. In honor of the Spirit Rider and its tradition, Jim Hamilton sculpted the Spirit Rider bronze statue that sits next to the National Wrestling Hall of Fame in Stillwater.

Bullet speeds onto the field after each score.

AMERICA'S GREATEST HOMECOMING CELEBRATION

Friday night's "Walkaround" attracts thousands to campus for Homecoming.

Ask any Oklahoma State University graduate what OSU's greatest tradition is, and you'll hear one word - Homecoming.

The OSU Alumni Association has presented Homecoming at OSU since 1920 growing it from a small-town carnival to a nine-day, award-winning celebration. It is widely known as "America's Greatest Homecoming Celebration" with its signature event, Walkaround, which regularly draws more than 80,000 spectators to view elaborate Greek house decorations, parade floats and residence halls bathed in orange.

OSU's Homecoming is entirely run by students - more than 250 on committees within the Alumni Association and thousands more in Greek, residential and campus life. Cowboys love our Homecoming tradition and are actively contributing to an endowment to secure its future existence and growth on our campus.

Homecoming is a driving force in the Stillwater community. In 2013, the Harvest Carnival event contributed 18,500 pounds of canned food donations to the local Harvest II food drive. Homecoming also highlights other OSU sports at Homecoming & Hoops where fans can preview the upcoming season's squads for Cowboy and Cowgirl basketball in addition to enjoying a pep rally for Saturday's football game.

From the Edmon Low Library's orange fountain to Hester Street painted for coaches and players to view during "The Walk," OSU and its alumni are proud to claim "America's Greatest Homecoming Celebration." Homecoming 2017: 'Herald Your Fame' is October 6-14 and will conclude with the Baylor vs. OSU football game on Saturday, October 14.

The Program

Oklahoma State has established itself as a rising power in the Big 12 Conference in recent years. How did it happen? Having the right people in the right position, outstanding support from the university's administration and a growing fan base, as well as the continued efforts of players and coaches are all at the core of OSU's reemergence into the national spotlight.

COWGIRL STADIUM

STILLWATER, OKLA. | CAPACITY - 750 | OPENED - APRIL 5, 2000

"THIS FACILITY HAS SEEN SOME OF THE GREATEST MOMENTS IN OKLAHOMA STATE SOFTBALL HISTORY, AND HOPEFULLY THERE'S MANY MORE MEMORIES TO COME HERE."
- KENNY GAJEWSKI, OSU HEAD COACH

COWGIRL STADIUM

Opened April 5, 2000, against Bedlam Series rival Oklahoma, Cowgirl Stadium is one of the finest softball facilities in the Big 12 Conference. The stadium includes seating for 750 of the rowdiest fans in the country. There is also a patio over the home-team dugout where fans can stand and watch the game.

Cowgirl Stadium is one of the most electric atmospheres in the Big 12 Conference, and is an integral part of making the Oklahoma State softball tradition complete. Oklahoma State has long been one of the premier softball programs in the country.

The Cowgirls opened the stadium against Oklahoma late in the 2000 season with a record crowd of 750 fans already packed into the stadium when Lauren Bay threw the first pitch at the new facility.

Cowgirl Stadium was built at a cost of approximately $2 million on the same site as Cowgirl Field, the home of the Cowgirls for more than 20 years. Construction on the facility started on June 14th, 1999. However, the plan had been in motion for much longer. When the Oklahoma State football game versus the Nebraska Huskers was moved to Kansas City's Arrowhead Stadium on Oct. 3rd, 1998, it was determined that the money made from the game's sponsor, Western Star, would finance the facility.

The first phase of construction included new dugouts, a permanent concession stand, and bathroom facilities. Further additions were completed in 2002, including the coaches' offices, Cowgirl locker room, a players' lounge and training room located behind the home dugout. In 2004, a state-of-the-art scoreboard, complete with a message board center, was put in. A new infield was installed in 2005.

Gajewski and the Cowgirls have continued to improve on the stadium by renovating the team's clubhouse and locker rooms, as well as installing top-flight padding to the dugouts, among other ventures.

TEAM HASHTAGS

The 2018 team hashtag, which serves as a team motto of sorts, is "Jump-Set Sail on the Sea of Consequence." This year's message is intended to inspire players to "take the leap" and to face all challenges and consequences, both good and bad, head-on and as a team.

TEAM ROOM

Seats 12 people with leather couches and provides plenty of room for rest and relaxation after a long day on the field.

HISTORY IN THE OUTFIELD

The three numbers retired by OSU softball - 5, 35 and 52 - are all represented on the wall padding in left field.

ARTWORK

Wall murals and inspirational quotes are found throughout the facility, honoring both past and present Cowgirls.

The halls of Cowgirl Stadium honor the team's history, including all seven teams that appeared in the Women's College World Series.

Each member of the Cowgirl softball squad has her respective hometown represented by the player's number on a wall outside the team's locker room.

Oklahoma State has emerged as a rising power in the Big 12 Conference.

How did this Cowgirl transformation happen? Having the right people in the right position, outstanding support from the university's administration and a growing fan base, as well as the continuous efforts of players and coaches are all things at the core of Cowgirl Softball's reemergence into the national spotlight.

PROGRAM-CHANGING MOMENTS

JUNE 13, 2015 - GAJEWSKI TAKES THE REINS
Twice a national champion while serving as an assistant coach at Florida, Kenny Gajewski returned to his roots in 2015, taking over as the head coach of the OSU softball program.

FEB. 13, 2016 - GAJEWSKI'S FIRST WIN
Tiffany Mikkelson's first-inning home run was all OSU would need, and on a chilly day in San Marcos, Texas, Kenny Gajewski earned his first win as a collegiate head coach.

APRIL 2, 2016 - MIKKELSON SETS HR RECORD
She had long been a successful player, but Tiffany Mikkelson's record-setting home run in Lubbock, Texas, ushered in a new era of record-setting performances from the Cowgirls.

MAY 15, 2016 - NCAA TOURNAMENT BID
Five long years the Cowgirls had to wait for their return to the NCAA Tournament, but in May 2016, OSU returned to a place it has frequented. And it did so in Gajewski's first year at the helm.

MAY 17, 2016 - SHIPPY EARNS BIG 12 HONOR
Vanessa Shippy's historic 2016 season earned her more than just a place in the OSU record books, as she became the first Cowgirl since Lauren Bay in 2003 to earn Big 12 Player of the Year honors.

MAY 21-22, 2016 - ATHENS REGIONAL
Oklahoma State proved its mettle in its return to NCAA Tournament actions, winning three straight games while facing elimination to advance to a winner-take-all regional final against Georgia.

MARCH 26, 2017 - SHIPPY'S WALK-OFF WINNER
For a time, teams weren't necessarily concerned with coming to Stillwater to play. Vanessa Shippy changed that tune last season when she clinched the Cowgirls' sweep of Texas with a walk-off single, showing that OSU is ready to return to the top of the Big 12.

MARCH & APRIL, 2017 - STORMING THE BIG 12
The Cowgirls staked their claim in the Big 12 last season, winning each of their first eight games of conference play en route to posting their first top-three finish in the league since 2010.

MAY 21, 2017 - DOWN GOES NO. 1
Oklahoma State, facing elimination, bested the top-ranked Florida Gators, 1-0, in the Gainesville Regional to advance to a winner-take-all regional final for the second straight season.

UNIFORMS

"One never knows what the Cowgirls will be wearing, as **their uniform choices are limitless**. They have a striking new pattern for every occasion and a color wheel that goes **far beyond the typical shades of black and orange**. All in all, making them look good, feel great and play even better."

- Jordan Bishop, Stillwater News Press, January 2018

Oklahoma State Uniform Highlights

NO REPEATS, NO PROBLEMS

With five separate jerseys, five uniquely-colored pants and several distinct stirrup patterns, OSU can go an entire season, and then some, without wearing the same uniform combination more than once. In total, Oklahoma State can feature more than 80 individual uniform combinations, based solely on uniforms, pants and stirrups. Add in other uniform details such as hats, helmets and gloves, and it could be quite some time before you see the same uniform combination a second time.

A LOGO TELLS A THOUSAND WORDS

Oklahoma State's uniforms feature three distinct identifying features - the Oklahoma State brand, the school's Marshal Badge logo and the word "Cowgirls." The center-placed logo is similar to two of the designs that the Oklahoma State men's basketball program wears and is a growing trend across college athletics. OSU's two white jerseys and anthracite-pinstripped uniforms all feature the standard OSU brand across the chest, while the gray jerseys feature the marshal badge. OSU's orange jerseys feature the word "Cowgirls" across the chest. It is written in the cursive-style font originally made famous in Stillwater by the Oklahoma State men's basketball program.

COLOR SCHEME

While Oklahoma State's uniforms are evolving, the Cowgirls stay true to the school's primary colors. OSU's closet consists of five colors (orange, black, white, gray and anthracite), all of which appear throughout OSU's uniform combinations in a variety of ways. The Cowgirls also field several stirrup templates, consisting of white and orange patterns, black, white and orange patterns and several others. The Cowgirls' two white jerseys feature the school's orange and black colors, with one featuring orange trim and the other black. There is a third set of white jerseys that feature anthracite-colored pinstripes throughout the jersey and pants. OSU's pants all also feature a variety of features, including different piping colors, as well as the Nike swoosh and OSU marshal badge.

ACADEMIC NOTES

In 2017, the Oklahoma State softball team won 38 games, capped by a second-straight bid to compete in the NCAA Tournament. Four members of that team earned their degrees from Oklahoma State University last year, bringing head coach Kenny Gajewski's total to 10 Cowgirls graduated during his two-year stint as head coach.

Academics has been at the forefront of the revitalization in Stillwater. In each of the past two seasons, OSU has led the Big 12 Conference in Academic All-Big 12 selections, recording double-digit honorees in both 2016 and 2017.

Returning senior Vanessa Shippy also joined Chelsea Garcia and Lisa Harvey as the only Cowgirls in Oklahoma State history to earn multiple Academic All-America honors, as she collected first-team honors each of the past two years. She's the only one of the three to have earned multiple first-team honors, however.

Gajewski has made it clear that academic success, along with growth on the field, will be a pillar of Oklahoma State's reemergence in the coming years.

Here's a look at the players who have graduated from OSU during Gajewski's tenure as head coach:

SOFTBALL GRADUATES

Ten softball players have graduated from Oklahoma State during Kenny Gajewski's two years in Stillwater.

PROGRAM RECORD

ACADEMIC ALL-BIG 12 SELECTIONS

- Twenty-two Cowgirls have been selected to the Academic All-Big 12 team during head coach Kenny Gajewski's two years at the helm, setting a new program record for the most honorees during a two year stretch.
- In 2017, Oklahoma State led the Big 12 with 12 Academic All-Big 12 selections, 11 of which were first-team honorees, to lead the conference for the second consecutive season.
- The 12 honorees and 11 first-team members both marked new program bests, as they surpassed the 2016 squad's record-setting marks of 10 Academic All-Conference selections and seven first-team honorees.
- While the entire OSU softball program has been a measure of academic success these past two years, it has been Vanessa Shippy setting the pace for not just the Cowgirls, but everyone within the Big 12 Conference as well. In 2017, Shippy was one of just five players in the league to earn a 4.0 grade point average.
- She also earned her second consecutive Academic All-America honor to join Chelsea Garcia and Lisa Harvey as the only Cowgirls to be named an Academic All-American more than once.
- Oklahoma State has long had a history of academic excellence within the school's softball program. Since 1983, OSU has produced 146 Academic All-Conference honorees. Sixty-eight of those academic standouts have come since the formation of the Big 12 Conference in 1996.
